Date: 29/03/2023

Objectives:

Provides valuable opportunities to develop their ideas and receive guidance from an experienced mentor. To help entrepreneurs refine their business strategies, develop their products, and navigate challenges.

Report:

Institution Innovation Cell, SPICES, Department of Computer Science & Engineering organized 'Session on Accelerators/Incubation - Opportunities for Students & Faculties - Early Stage Entrepreneurs' on the 29th of March 2023 at MBA Seminar hall.

The event started with the inaugural ceremony in the presence of Dr. Ajith Padyana, Head, Department of CSE, Sharath. N, Co-founder and CFO @ FREE Imagine Innovative Inspire, faculty members of CSE, MCA and AI/ML Department and students.

The event started at 2 P.M. Over 22 Students and faculty members from the Department of CSE, Mechatronics, MBA, MCA, AI/ML were present. The session was taken over by Sharath. N, Co-founder and CFO @ FREE Imagine Innovative Inspire. The aim of the session was to discuss the various opportunities available for students and faculty members to explore entrepreneurship and help early-stage entrepreneurs.

During the session, the speaker highlighted the importance of entrepreneurship in today's economy and discussed the benefits of starting a business, such as job creation, innovation, and economic growth.

The session also included a discussion of the key qualities of successful entrepreneurs, such as resilience, creativity, and adaptability. The speaker emphasized that starting a business requires hard work and dedication, but that the rewards can be significant for those who are willing to take risks and persevere.

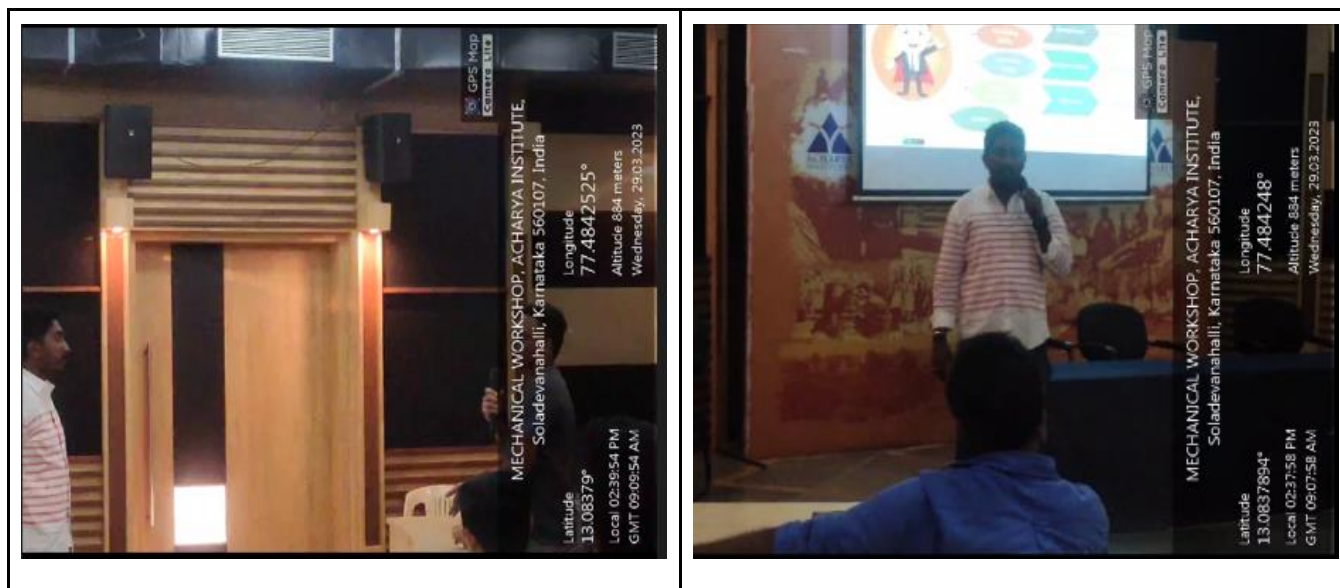

Overall, the session was informative and engaging, providing valuable insights into the opportunities available for students and faculty members interested in entrepreneurship. The speaker was knowledgeable and engaging, and the content of the session was well-organized and presented in a clear and concise manner.

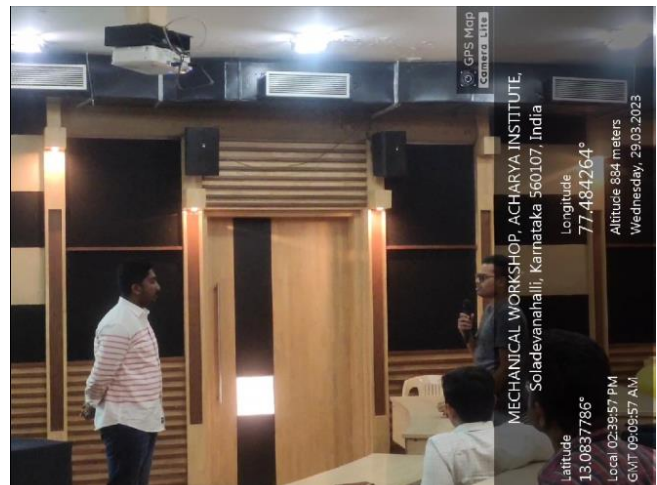

The event was organized under the guidance of Dr. Rajath Hegde M.M Principal, AIT, Prof. C. K. Marigowda Vice Principal, AIT, Prof. Asha C N, coordinator- IIC, Dr. Ajith Padyana – HOD-CSE , AIT and coordinated by Mrs. Sneha N P, Asst. Prof. Dept. of CSE. Vasanth A, Department of CSE and Shaik Mohammad Junaid, Department of AIML were the student coordinators.

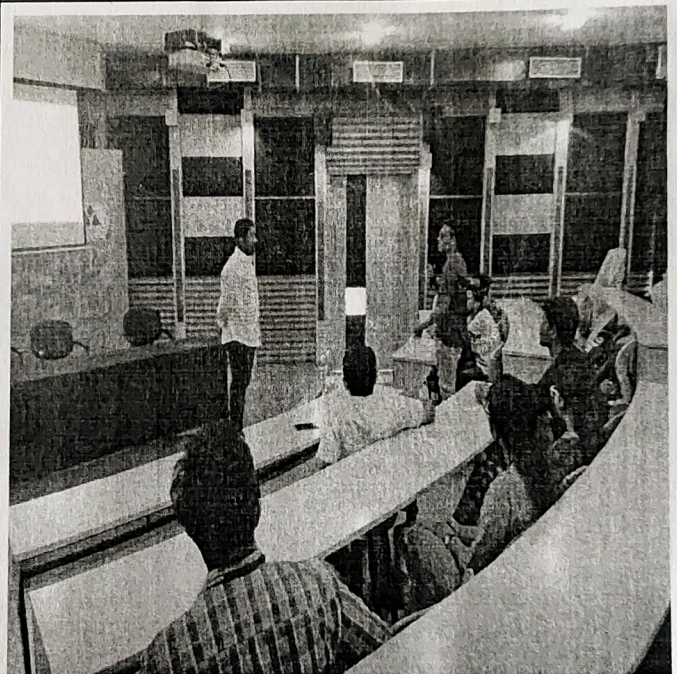

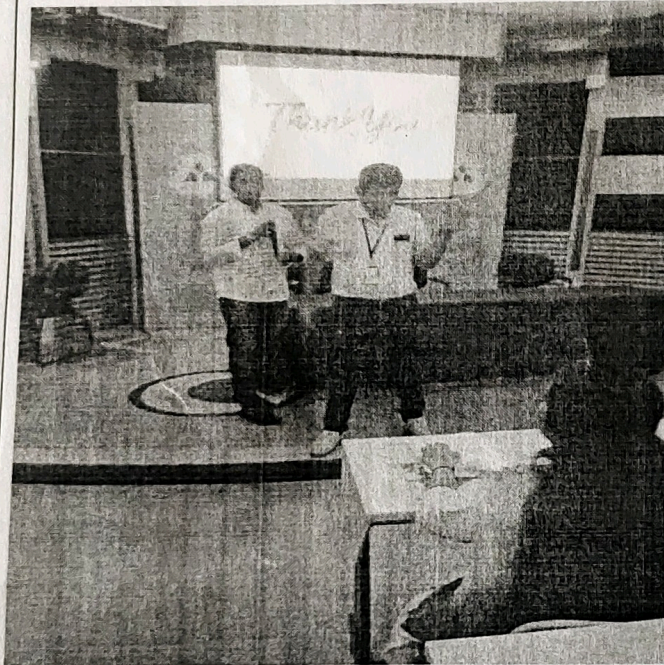

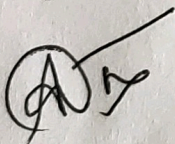

Outcomes:

Provide valuable resources, mentorship, and networking opportunities that can help entrepreneurs/startups grow and succeed. Help to validate their business idea and can give entrepreneurs the confidence to move forward with their business plans and make changes if necessary. Provide educational and training opportunities for startups, which can help them develop their skills and knowledge in areas like marketing, sales, and product development.
