WHEREAS, Company is willing to grant Intern an internship;

NOW, therefore, the Parties, in consideration of the mutual promises, conditions and covenants contained herein, hereby agree as follows:

1. **Internship Position, Duties & Responsibilities.** Intern shall work as Programming Intern. Intern will perform the duties as deemed fit by The Company, including but not limited to,
  - A. Assisting in the coding of a web app for the company services.
  - B. Working on data sets collected, performing data cleaning and analysis.
  - C. Proposing new ideas and trying out new projects with authority and responsibility.
  - D. Working on existing websites on the front-end and back-end as the need arises.
2. **Compensation.** The Parties agree this is a paid internship in that Intern will be financially compensated, as a stipend, an amount of **INR 5000/-** per month for the duties performed at Company. Intern agrees that he/she is gaining valuable knowledge, experience, education, and training in Company's industry as consideration for the Duties and Responsibilities. This amount is just a token to appreciate the sincerity and involvement that the intern is supposed to display during the internship.
3. **Term.** This Agreement shall commence upon the Effective Date, as stated above, and will continue until **30.09.2023**.

Pavan K  
B.E. Computer Science & Engineering  
Acharya Institute of Technology, Bangalore

Dear Pavan K,

Further to our Letter of Intent / Offer for the position of Programmer Analyst Trainee / Programmer Analyst aligned to the hiring category and in response to your subsequent confirmation for Internship Program with us, we are pleased to offer you an Internship on premises with us for a period of 3 to 6 months. Your Internship onboarding will be scheduled based on your availability factoring your college exam schedule and our business requirements.

During this period, you will be provided with a stipend of INR 12,000 per month equated to the planned duration of the Internship curriculum and will be paid only subject to successful completion of milestones as defined in the curriculum prior to the monthly stipend processing window for a given month based on your performance and attendance.

Though Cognizant Internship is a pre-requisite skill and capability development program, it does not guarantee employment and there is no employer – employee relationship during the course of this internship program. However, the successful completion of internship will form a critical part of your eligibility for employment with Cognizant if an opportunity arises in future.

You will undergo a learning curriculum as per the learning track assigned to you. The learning path will include in-depth sessions, hands on exercise and project work. There will also be series of webinars, quizzes, SME interactions, mentor connects, code challenges, assessments etc. to accelerate your learning. The outcome during Internship would be monitored through formal evaluations.

Prior to joining on the rolls of Cognizant, you must have successfully completed the prescribed Internship program. In the event of unsatisfactory Internship, Cognizant reserves rights at its sole discretion to revoke its employment offer.

### Please also note that:

- The Internship timings would be for 10 hours per day from Monday through Friday aligned to the working timings followed in Cognizant which based on the need could also be operated on a shift model. Attendance is mandatory on all the days to stay active in the Internship Program. The Intern Offer would be terminated if the mandatory requirement of minimum 90% attendance at office is not met in a month.
- Interns are covered under Cognizant's calendar holidays of the respective location of internship, and you would need to adhere with minimum attendance requirements. Prior approvals are must towards any unavoidable leave or break requests during the program and internship would be terminated if leaves are availed without prior approvals.
- You would be required to ensure timely completion and submission of assignments, project work and preparation required prior to the sessions failing which your internship would be terminated.
- The Technical skills track mapped could change at the start or mid-way or even later during the program depending on business demand changes and you would be required to be flexible for this change failing which your internship would be terminated.
- After successful completion of your Internship if there is a business demand which expects you to get skilled on a different skill, you would be expected to get skilled in that demand failing which your Full Time Offer would be cancelled / withdrawn.

**Subject: Internship Letter**  
Dear Priyanshu Gupta  
This has reference to our discussions with you regarding your internship with MapleLabs Solutions Private Ltd ("MapleLabs"). Bangalore. We are pleased to engage you as an "Intern" on the following terms and conditions and in accordance with the general rules/policies of MapleLabs, as may be amended from time to time.

- 1. VALIDITY:**  
Your internship duration will be from 1<sup>st</sup> February 2023 to 30<sup>th</sup> April 2023
- 2. STIPEND:**  
You will be paid Rs. 15,000 (Rs. Fifteen Thousand) per month towards stipend during your internship. Changes in your stipend and other terms are subject to discretion of the company, statutory requirements of the company and other relevant orders.
- 3. PROPRIETARY RIGHTS:**  
It is understood that any work/projects handled by you and intellectual property developed by you individually or as part of a team during the course of your internship with MapleLabs will be the exclusive property of MapleLabs. All rights (tangible and/or intangible) shall automatically vest with and/or stand assigned to MapleLabs absolutely and you shall have no rights/claims of any nature in respect thereto. "Intellectual Property" includes trademarks, copyrights, discoveries, inventions, licenses (software or otherwise), information, processes and similar proprietary rights, protocols, customer/client information or other written material pertaining to the business of MapleLabs.
- 4. CODE OF CONDUCT:**  
You shall conform to the policies of MapleLabs at all times, as may be introduced from time to time and are required to maintain high standards of conduct and excellence in rendering your services to MapleLabs.
- 5. TERMINATION:**  
Your internship is subject to the accuracy of the information, records and documents provided by you regarding your education. Should MapleLabs determine at any time that you have provided false or inaccurate information, or that you have withheld relevant information, MapleLabs reserves the right to terminate your internship any time without prior notice. MapleLabs further reserves the right to terminate your internship if your conduct is considered to be unbecoming or is considered to be detrimental to the interest of the MapleLabs. MapleLabs will be at liberty to terminate your internship if your performance is found to be unsatisfactory at any time during the term of your internship, without any prior notice.
