DEPARTMENT OF Electrical and Electronics & Engineering

The Department of Electrical and Electronics Engineering, Acharya Institute of Technology organized an Alumni talk on **Technical guidance for Core Job opportunities** for students on 25 March 2023. The Alumni for the event were Ms. Shrishti Singh , Deputy General Manager Schneider Electric, and Mr.Vinay Annappa, Additional Director at Chola Turbo Machinery International Pvt Ltd

The Objectives of the Program were:

- To provide an opportunity for students to get valuable knowledge of current industry trends
- Updates students about giving an effective interview
- Explore career opportunities & career paths in new domains

The outcome of the Program:

- Get to know the current industry trends.
- The talk would highlight career paths.
- Being a distinguished alumni his talk would inspire current students.

Expert Talk by the Resource Person

The program progressed with the Expert Talk by **Ms. Shrishti Singh and Mr.Vinay Annappa**, which addressed the students on the importance of participation in workshops, internships, and hands-on activities to get a better understanding of the technical concepts to gain a job in Core Electrical company.

The above event is mapped to PEO 1 and PEO 2

PSO1 and PSO 3
