Yes

More support and guidance in academic projects

Change auditorium

Placements department should be more reachable to students.

Placement coordinators should respond more quickly to students and resolve the issues asap.

College should select companies more wisely and companies without bonds.

Null

None.

Practical knowledge

conducting more workshops/ training for students

More placement opportunities are needed and also students who are placed should be allowed to sit for more companies as they might deserve higher packages.

1)want to improve networking with alumni

2) practical and application Learning should be included

3)mainly encourage students for building their own startups

Mentorship should be better. Overall this is very good college... Cse, IT branch is well good and library is also very well .

1. Professors are very informative

2. Every faculty is very responsive

3. All doubts are cleared in the class only

There are no complaints

Want lift to climb 5th floor

Teachers need to be friendly not to be violent and shouting

Need to be supportive

1)Usage of media to be inculcated rather than pen and board method every time.

Use kannada language while teaching

Better teacher

good teaching

Nothing it's good

1. More hands on experience for programming subjects
2. Guided projects/online projects should be preferred over written assignments since it is repetitive
3. More questions to be discussed in the classroom

Some of the suggestions i can give are

Teachers to use the monitor more often

Teachers used advanced teaching methods

Teachers using creative methods to educate the students

E

Teachers must prepare before teaching in the class.

* creative assignment rather than writing

Teaching is not good

Experienced teachers are wanted

Give holidays

Student exchange program should be implemented

Field visits

1. Classroom infrastructure
2. Labs having up to date computers/machines
3. Less amount of

Overall its good

Industrial visit for students should be implemented

Teaching is very good ,just we are given more tests we will be perfect til externals

Need more practical teaching

Digital learning. Practical learning. Extra curriculum

Should conduct extracurricular activities

Should conduct sports

Should conduct fests and functions

Overall it's good

Infrastructure like water supply and toilet management and drinking water supply is needed

Overall teaching is good.

Practical teaching

Maybe more outdoor knowledge

May be more cultural events

Explain the concept clearly, we want experienced teachers in some subjects

More internship opportunities, more application based teaching.. . Encourage to do application based assignments rather than yellow book .. Likewise in first SEM we were given a project by akshaya simha sir dept of mechanical engineering..

Focus more on internships and workshops

Practical teaching

need more outdoor knowledge

More cultural events

We want experienced teachers in some subjects like maths

Please change the maths faculty.

Teachers should interact with every student

1) they should talk in hindi or in local language if some students are not able to understand English.

Communication with students with eco-friendly

TEACHER SHOULD HAVE PROPER KNOWLEDGE ABOUT THE SUBJECT

AUTHORITY SHOULD SELECT PROPER FACULTY

Should give real life examples while teaching

Should take the students to different workshops, technical places like museum

Teachers should be friendly with the students
