MESSAGE FROM THE PRINCIPAL

DR. RAJATH HEGDE

At Acharya Institute of Technology, every student who walks through our gates becomes a cherished member of the Acharya family, and that bond continues long after graduation. Our alumni are the living reflection of our institution's aspirations, values and commitment to excellence. Their accomplishments across diverse professions and walks of life fill us with immense pride and reaffirm our belief in the transformative power of education. We warmly invite our alumni to remain connected with their alma mater, share their journeys, inspire our young minds and continue to be a part of the remarkable story of Acharya.

MESSAGE FROM THE HOD - MBA

DR. JUIN CHOUDHURY

The journey of an MBA student does not conclude with the award of a degree; it blossoms into a lifelong relationship with the institution. Our alumni carry with them the spirit of Acharya, enriched by the knowledge, friendships and experiences gathered during their years with us. Their professional journeys are a source of inspiration to our students and a window into the ever-changing world of management. We look forward to welcoming our alumni back to the campus to share their wisdom, mentor our students and illuminate the path for those who are beginning their own professional journeys

Acharya Alumni Meet 2023: A Homecoming to Remember

25 March 2023 | Acharya Institute of Technology, Bangalore

On 25 March 2023, the Acharya Institute of Technology held its annual Alumni Meet, bringing together approximately 400–450 alumni. The meet was a valuable opportunity for former students to connect with one another and catch up on the latest developments and achievements within the Institute.

Attendees networked, swapped stories, and picked up insights and advice from fellow alumni who have gone on to build successful careers in a wide range of fields.

A day to reconnect, reminisce and get inspired.

The student committee at the helm

The student committee played a principal role in organising the event, which introduced several new features. The debut of the Acharya campus tour video was a big moment for everyone in attendance. It showcased the Institute's state-of-the-art facilities and breath-taking natural surroundings.

Produced with great professionalism and attention to detail, the video followed a compelling storyline and was shot with a state-of-the-art camera. The finely edited film was a highlight of the event, and attendees were impressed by the quality of the production.

Words of inspiration

The Principal, Vice Principal, faculty and Heads of the Departments shared their words of inspiration with the alumni in the form of a montage set to music and visuals, put together by the creative team.

Celebrations begin

The programme opened with a warm welcome and a beautiful invocation song that set the tone for the event. After the official inauguration, a cake cutting ceremony marked the start of the cultural activities. The cake itself was a work of art, decorated with the Institute's logo and the words "Acharya Alumni Meet 2023".

THE ACHARYA ALUMNI NETWORK

AIT has always been known for its strong network with alumni. Alumni are invited on a regular basis to interact with their juniors and give them exposure to the practical world. They talk about their entry into the corporate world, their work experience, and the skills and expertise actually required to be successful. The Department looks forward to more such conversations through its Alumni Knowledge Sharing Series.

GET INVOLVED

Our students learn best from those who have walked the path before them. You can help by:

- **Speak to our students.** Share your journey and industry insights in an Alumni Knowledge Sharing session.
- **Mentor a junior.** Guide a student on careers, skills and interviews.
- **Open a door.** Refer internship and placement opportunities from your organisation.
- **Join the Alumni Association.** Stay in touch with the Acharya Alumni Association (AAA) and upcoming meets.
