Dated: 28/12/2023

Subject: Acknowledgement for old age home and orphanage visit

Respected Sir/Madam,

I am writing this letter to confirm that the attached list of students who are a part of Department of MCA, Acharya Institute of Technology had visited our old age home and orphanage NAMS SNEHASADAN Home on 28th December 2023 as a part of their volunteer work.

We would like to express our gratitude for the time spent in Publicizing(5hours), seeking Donations for our orphanage. Your volunteers' selfless efforts in raising awareness about our cause have resulted in significant support from the community. We were delighted to see the creative spirit of your volunteers come alive as they spent entertainment activities with our children.

During their visit, they interacted with our children, played games with them, and provided them with valuable insights and advice.

As the in-charge of the orphanage, I would like to express my sincere appreciation to your college and its volunteers for their support in our mission to provide a safe and nurturing environment for the children under our care by handing over donations which ensured Contentment and Satisfaction.

We once again thank you for sending all the Childrens came from your college and will always look forward to welcoming more visits to our premises.

Thanking You,

Yours sincerely,

NAMS SNEHASADAN,

Dear Sir/Ma'am,

We express our sincere thanks to **Acharya Institute of Technology and Indian Red Cross Society** for facilitating a DKMS-BMST donor drive on **11th September, 2023**.

You would be happy to know that **112** students signed up as potential stem cell donors. Their buccal swab samples will be tested and the anonymized results (only age, sex, HLA typing) will be made available on the worldwide registries which are searched daily for patient-donor matches.

We thank all the volunteers who helped us conduct the donor drive and their sincere efforts in making the event a success. We look forward to continued support from you and your organization to the cause of supporting blood cancer patients looking for matched stem cell donor.

Thanking you.

Yours sincerely,

Sayantan Datta Gupta

Over 300 students of AIT and professors registered as stem cell donors

HANS NEWS SERVICE
BENGALURU

DKMS BMST Foundation India, organised a blood stem cell donor registration drive at Acharya Institute of Technology, Bengaluru (AIT) in association with NSS, AIT. Over 300 students including NSS students registered themselves as potential lifesavers.

Over the next 2 years, DKMS BMST Foundation India and Acharya Institute of Technology will work closely together to help blood cancer patients by registering more potential stem cell donors and raise awareness about this noble cause.

The CEO, DKMS BMST Foundation India, Patrick Paul said, "Often a blood stem cell transplant from a matching stem cell donor is the only chance at survival for blood cancer and blood disorder such as Thalassemia and Aplastic anemia patients. A successful blood stem cell transplant needs a perfect HLA tissue match. Every year over 1 lakh people are diagnosed with such life-threatening diseases in India and with the increasing burden, more and more Indian patients are looking for matching stem cell donors. We aim to raise awareness about blood stem cell donation through this association with AIT. We hope that the student community will further strengthen our mission and help save more lives."

The Principal, Acharya Institute of Technology (AIT), Dr. Rajath Hegde M M said, "Today's younger generation have huge potential and great zeal to empower and encourage others to contribute to a noble cause. After all, saving a life is as important as giving a new life. We as an institution are so proud to be a part of this cause and will continue help raise awareness

amongst public to come forward and register as a stem cell donor".

The Acharya Institute of Technology (AIT), Vice-Principal, Prof. Marigowda said, "We support the foundation in all possible ways. We are inspired by their mission of giving second chance at life to blood cancer patients and we hope that our association can help many more patients in their fight against such life-threatening diseases. I appreciate the entire student coordinators and volunteers and DKMS-BMST for the effort they are putting in this noble cause."

The blood cancer awareness programme and donor registration drive were organized by Dr. Juin Choudhury, HOD-MBA and coordinated by Dr. Nijaguna G, Prof. Monica M, Assistant Professor, Dr. Prashanth KP, NSS officer, Prof. Channakeshava and Dr. Sanman, NSS Coordinators. The team of Stu-

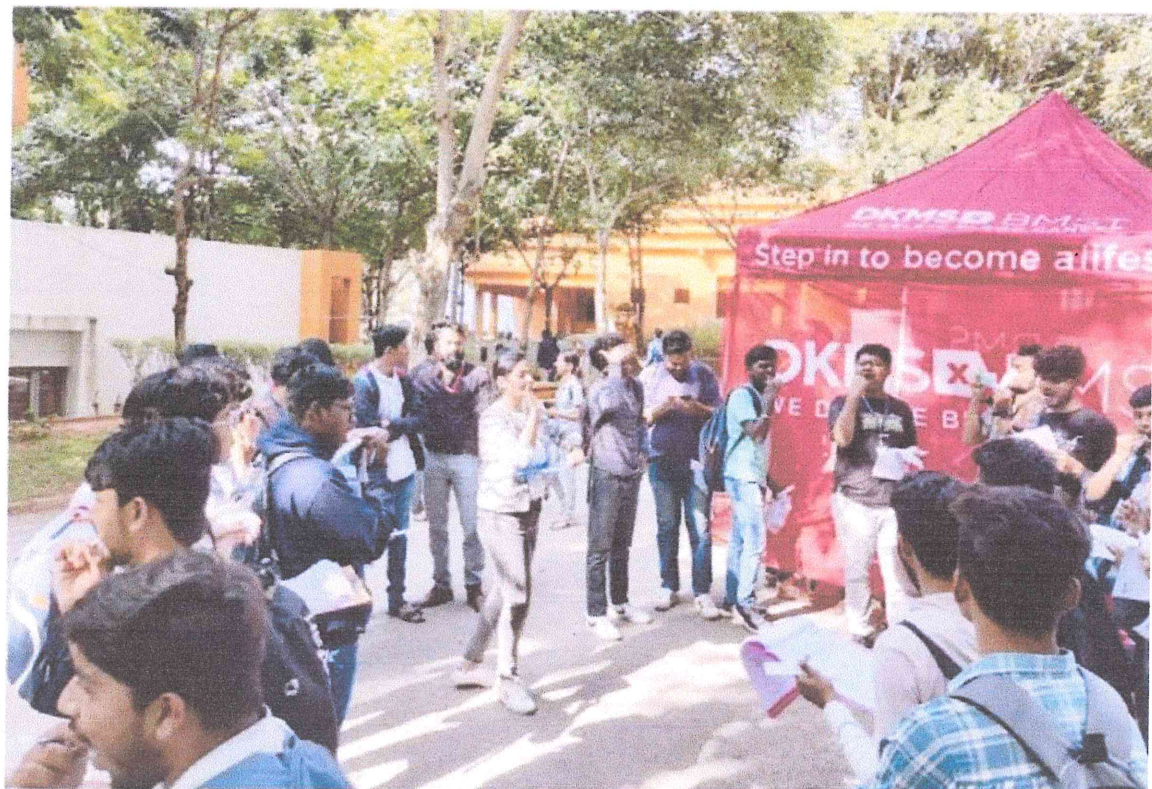

dents volunteers were identified and trained to drive the students to attend the programme.

During the registration drive one of the students said, "I am feeling extremely happy, and proud of the fact that I have registered as a potential stem cell donor by a simple process of giving my swab samples. I am also delighted that that so many students have come forward and registered for this worthy cause. DKMS-BMST very clearly elucidated the whole process, which has given us complete clarity. I am hopeful that someday I may also get a chance to save a precious life. This is a great cause, and I will continue to volunteer and raise awareness on blood stem cell donation."

Every 5 minutes, someone in India is diagnosed with blood cancer, or blood disorders like Thalassemia or Aplastic Anemia, which is be-

coming a major public health challenge in our country. A blood stem cell transplant from an HLA matched donor is an effective treatment for long term management of the disease and for improving the quality of life of the patient. However, 70% of the patients are unable to receive a transplant due to unavailability of matching blood stem cell donor from within their family and are dependent on an unrelated HLA matched donor. With very few individuals signing up as potential blood stem cell donors, the probability of finding an HLA matching donor is extremely difficult in most cases.

Therefore, it is important that more and more people of Indian ethnicity come forward, and register as a potential stem cell donor. Registration process: Interested citizen between 18-55 age-group can register at: dkms-bmst.org/register

ಕ್ಯಾನ್ಸರ್ ಪೀಡಿತರಿಗೆ ಚಿಕಿತ್ಸೆ ಆಯ್ಕೆಯಿಂದ ಫಲವತ್ತತೆ

ಬೆಂಗಳೂರು: ಗರ್ಭಕಂಠ ಕ್ಯಾನ್ಸರ್ ಹೊಂದಿರುವ ಮಹಿಳೆಯರು ಆರಂಭಿಕ ಹಂತದಲ್ಲಿ ಸಂಶೋಧನಾ ಮತ್ತು ಟ್ರಾಕಿಂಗ್‌ನಿಂದ ಚಿಕಿತ್ಸಾ ಆಯ್ಕೆಗಳ ಮೇರೆ ಹೋದರೆ, ಸಂತರ ಅವರು ಮಕ್ಕಳನ್ನು ಹೊಂದಲು ಬಯಸಿದರೆ ತಮ್ಮ ಫಲವತ್ತತೆಯನ್ನು ಕಾಪಾಡಿಕೊಳ್ಳುವುದು ಎಂದು ಬೆಂಗಳೂರಿನ ರಾಧಾಕೃಷ್ಣ ಮಲ್ಟಿಸ್ಪೆಷಾಲಿಟಿ ಹಾಸ್ಪಿಟಲ್‌ನ ವೈದ್ಯಕೀಯ ನಿರ್ದೇಶಕ ಡಾ.ವಿದ್ಯಾ ಎ.ಫಾಟ್ ತಿಳಿಸಿದ್ದಾರೆ.

ಗರ್ಭಕಂಠದ ಕ್ಯಾನ್ಸರ್ ಚಿಕಿತ್ಸೆ ಮೂಸದ ಅಂಗವಾಗಿ ಮೂತನಾಡಿದ ಅವರು, ಆರಂಭಿಕ ಹಂತಗಳಲ್ಲಿ ರೋಗಗರ್ಭಿಯ ಮೂಡುವ ಸಂದರ್ಭದಲ್ಲಿ ಗರ್ಭಿಣಿಯಾಗಿದ್ದರೆ, ಅವರು ಗರ್ಭಾವಸ್ಥೆಯಲ್ಲಿ ಮುಂದುವರಿಯಬಹುದು ಮತ್ತು ಸಿ-ಸೆಕ್ಷನ್ ಮೂಲಕ ಬೆರಿಗೆ ಮಾಡಬಹುದಾಗಿದೆ. ಆದಾಗ್ಯೂ, ಕೊನೆಯ ಹಂತದ ಗರ್ಭಕಂಠದ ಕ್ಯಾನ್ಸರ್ ನಿಂದ ಬಳಲುತ್ತಿರುವವರು ಗರ್ಭಿಣಿಯಾಗಲು ಬಯಸಿದರೆ ಪಿಎಂಫ್ ಅನ್ನು ಆಯ್ಕೆ ಮಾಡಿಕೊಳ್ಳಬೇಕಾಗಬಹುದು ಎಂದರು.

ಗರ್ಭಕಂಠದ ಕ್ಯಾನ್ಸರ್‌ನಲ್ಲಿ ಹಂತ 1 ರಿಂದ

2ಎ ವರೆಗೆ ಗರ್ಭಕಂಠದ ಆವೃತಿಯ ಶಸ್ತ್ರಚಿಕಿತ್ಸಾ ಚಿಕಿತ್ಸೆಯಾಗಿದೆ. ಆಗ ಕ್ಯಾನ್ಸರ್ ಗರ್ಭಕಂಠ ಮತ್ತು ಗರ್ಭಾಶಯಕ್ಕೆ ಮಾತ್ರ ಸೀಮಿತವಾಗಿರುತ್ತದೆ. ಗರ್ಭಾಶಯವನ್ನು ಉಳಿಸುವ ಶಸ್ತ್ರಚಿಕಿತ್ಸೆ ಗಳು ಕನಿಸೇಶನ್ ಮತ್ತು ರಾಡಿಕಲ್ ಟ್ರಾಕಿಂಗ್‌ನಿಂದ ಆರಂಭಿಕ ಹಂತಗಳಲ್ಲಿ ಮಾತ್ರ ನಡೆಸಬಹುದಾಗಿದೆ. ಗರ್ಭಕಂಠ ಕ್ಯಾನ್ಸರ್ ತಡೆಗಟ್ಟಬಹುದಾದ ರೋಗವಾಗಿದೆ ಮತ್ತು ಆರಂಭಿಕ ಹಂತದಲ್ಲಿಯೇ ಪತ್ತೆ ಮಾಡಿದರೆ ಅದನ್ನು ಗುಣಪಡಿಸಲಾಗಬಹುದು. ಎಚ್‌ಪಿವಿ ವ್ಯಾಕ್ಸಿನ್‌ಗಳ ಮತ್ತು ವಾಡಿಕೆಯ ನಿಯಮಿತವಾಗಿ ಕ್ಯಾನ್ಸರ್ ತಪಾಸಣೆ

ಮೂಲಕ ಬಹುಮತೀಕ ಎಲ್ಲಾ ಗರ್ಭಕಂಠದ ಕ್ಯಾನ್ಸರ್ ಗಳನ್ನು ತಡೆಯಬಹುದಾಗಿದೆ ಎಂದರು.

ಭಾರತದಲ್ಲಿ ಗರ್ಭಕಂಠ ಕ್ಯಾನ್ಸರ್ 1 ಲಕ್ಷ ಜನರ ವೈಕಿ 18 ಜನರಲ್ಲಿ ಕಾಣಿಸಿಕೊಳ್ಳುತ್ತಿದೆ. ಇದು ದೇಶದ ಎಲ್ಲಾ ಕ್ಯಾನ್ಸರ್‌ಗಳಿಗಿಂತ ಶೇ.18.3 ರಷ್ಟಿದೆ. ಈ ಕ್ಯಾನ್ಸರ್ ಪ್ರಮಾಣ 35 ರಿಂದ 65 ವಯೋಮಾನದವರಲ್ಲಿ ಹೆಚ್ಚಿದೆ. ಅದನ್ನು ತಡೆಗಟ್ಟಲು ಎಚ್‌ಪಿವಿ ಪರೀಕ್ಷೆ ಮತ್ತು ಪಿಎಪಿ ಸ್ಕ್ರೀಯರ್ ಪರೀಕ್ಷೆಯೊಂದಿಗೆ ನಿಯಮಿತ ಗರ್ಭಕಂಠದ ಕ್ಯಾನ್ಸರ್ ತಪಾಸಣೆಯೂ ಒಂದು ಪ್ರಮುಖ ಮಾರ್ಗವಾಗಿದೆ ಎಂದು ತಿಳಿಸಿದರು.

Acharya Dr. Sarvepalli Radhakrishnan Road,
Acharya Post. Soldevanahalli,
Bangalore-560 107

Respected Sir,

I am writing to extend our heartfelt appreciation to Acharya Institute of Technology, Soldevanahalli, Bengaluru-560107 for your exceptional dedication and support in our recent societal initiatives.

The active participation of your students and faculty coordinators in the societal activities in association with UPKRITI NGO such as Government school beautification, Pulse polio Immunization Campaign, Tree Planation drive, Government school teaching and Yippee Plastic awareness etc., under Sakala Mitra awareness and survey program launched by Honorable Primary and secondary educational and Sakala Minister B C Nagesh in Acharya Institute of Technology, Soldevanahalli, Bangalore-560107 on 28th December 2021.

Acharya Institute of Technology emphasis on fostering social responsibility and community engagement among students is truly commendable. It is inspiring to see an educational institution go beyond academic excellence to instil values of empathy, civic responsibility, and proactive involvement in societal issues.

We look forward to continuing our partnership with Acharya Institute of Technology, Soldevanahalli, Bangalore-560107 and exploring more opportunities to work together for the betterment of our community. Once again, thank you for your unwavering support and commitment to societal development.

Please convey our sincere appreciation to all the students and faculty coordinators who participated in our initiatives.

We are proud to be associated with an institution that shares our vision for a better and more inclusive society

Yours sincerely,

Chandan

SIGNING OF MOU WITH ACHARYA INSTITUTES

Upkriti NGO had signed a Memorandum of Understanding (MOU) with the Principal of Acharya Institute of Technology to conduct activities aimed at Societal Improvement and service to humanity, to help the students serve their community. The Organization would like to thank the Principal and Faculty of Acharya Institute of Technology for providing this opportunity to collaborate and serve the society.

ORIENTATION BY UPKRITI NGO

The AICTE Activity Points program Orientation and Training sessions for Fifth and Seventh Semester were held on 26 November 2021 in the main auditorium. Students were introduced to the Agenda of Upkriti, the activities covered under this program and the benefits of participating in these activities.

SAKALA MITRA TRAINING SESSIONS

The students of 5th and 7th semesters took part in a training session organized by Sakala Mitra. The event was graced by Dr. Mamatha Gowda who enlightened the students on how to effectively make use of the Sakala Services Act and how people can be benefitted by it.

LAUNCH OF SAKALA MITRA

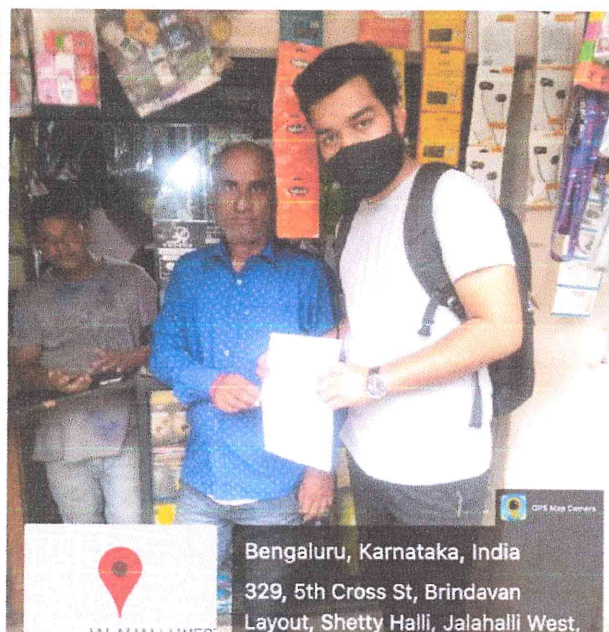

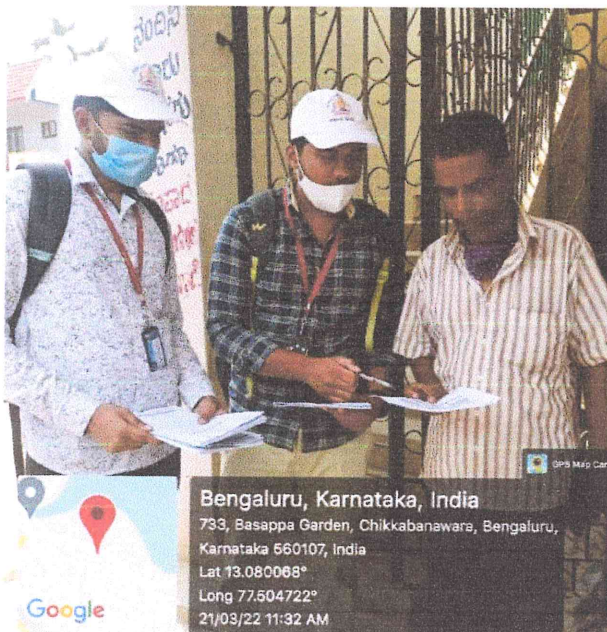

The Sakala Mitra Awareness and Survey Program was launched in AIT on Tuesday, 28th December at the Basketball stadium. 2000 students of 5th and 7th semesters were present for the event.

The launch event was graced by Our Honourable Primary and Secondary Educational & Sakala Minister BC Nagesh. Other dignitaries who graced the occasion include Dr BR Mamatha Gowda IAS, JDS MLA Manjunath, Corporator and Department officials.

SAKALA SURVEY

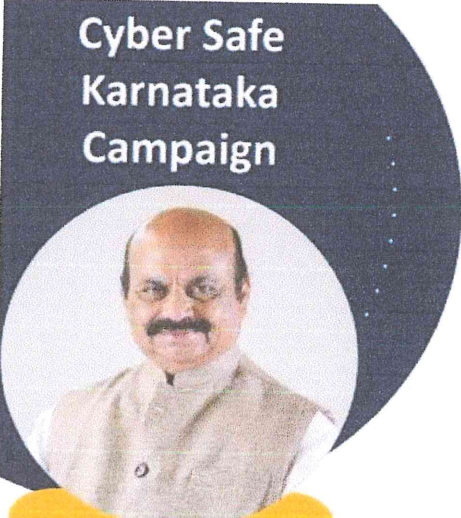

The Sakala Awareness and Survey program was held on 2 January 2022. Student volunteers were divided into different wards. They were asked to approach Street vendors, shops Residential areas and slums. The objective of this survey was to understand the extent of awareness of the Government Sakala Services Act 2011, regarding what facilities can be provided to the citizens from the Government.

The student volunteers collected information from the public regarding whether they were aware of such services being available, have they applied for such services before. This information was updated in a central Database. The student volunteers provided pamphlets containing information about the Sakala Act to the public. 11190 Houses and Shops were covered through this Survey.

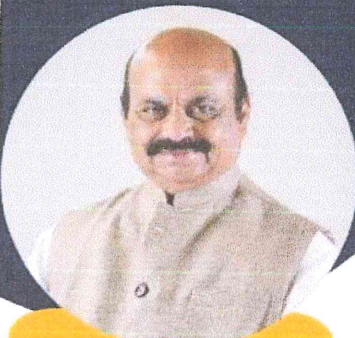

CYBER SAFE KARNATAKA CAMPAIGN

This was an initiative by the State Government to make Karnataka more secure online and to become the 1st cyber safe state in India. The event was launched on December 23rd 2021, and was presided by our Hon'ble Chief Minister Shri Basavaraj Bommai. Guests of honour and key speakers included DR, Ashwath Narayan, Shri Ramesh Aravind and Dr. Shalini Rajneesh, among others. 5th and 7th Semester students had participated in this event.

GOVERNMENT SCHOOL BEAUTIFICATION

A group of volunteers have brought life to a village school in H.D. Kote taluk that had not seen paint for many years, by turning it into a bright and colourful structure.

An NGO, Upkriti, brought together volunteers from diverse professions for the task. The facelift of the Government Higher Primary School at Gandhinagar in the taluk was completed within a span of 30 hours.

“We have now decided to construct two toilet units and a lunch hall on the school premises. If anybody is interested in funding the units, the volunteers are ready to execute for them in the interest of schoolchildren,” said Chandan N, who heads the NGO.

The facelift includes waterproof painting on walls, coloring ‘nali kali’ classroom, donation of computers and so on. Cartoon characters have been painted on the walls of ‘nali kali’ classrooms.

Seeking nothing in return, the volunteers gave their time on the weekend to help children enjoy their schooling, he said. They included professional artists, engineering students, advocates, software engineers

Mr. Chandan, along with volunteers Manasa, Kruthik, Sushmitha, Amrutha, Darshan, Medha, Prakruthi, Kiran, Sanjay, Naushin, Tahreen, Vishal, Lohith, Inchara, Harsha and artist Yellapa gave a facelift to the school campus on February 6 and 7, drawing appreciation from the school authorities and the villagers.

The initiative was sponsored by Mr. Balasubrahmanyam and Ms. Swarnalatha from Mysuru.

PULSE POLIO IMMUNIZATION

In Association with BBMP, Upkirti had participated in Pulse Polio Immunization Drive for children aged 5 and below in multiple localities in Bengaluru city. The event was held over a span of 3 days beginning from 1st February 2022, where the student volunteers had actively participated in associating with the BBMP officials.

The first day began with student volunteers assisting the BBMP officials at vaccination centres in the BBMP offices. Nearby inhabitants who were informed of this vaccination drive being held in their locality brought their children to the centres where the student volunteers vaccinated them. On the second day, the student volunteers were split into groups of 4 and accompanied by an BBMP official, they visited every house in the surrounding areas and inquired whether their children below the age of 5 were vaccinated against Polio. The student volunteers carried a Polio Kit with them and vaccinated the children, marking the houses accordingly.

On the final day, the BBMP officers visited the areas to cross verify with the records made by the student volunteers.

The event proved to be a successful venture and many children were vaccinated against Polio disease.
